DEPARTMENT OF SURGERY

GRAND ROUNDS

Monday, March 14th, 2016
3:00-4:00 PM – LECTURE HALL 1

Live Broadcast from WCM in New York, USA

“Generation of Clinically Relevant Cell Types from Pluripotent Stem Cells”

Todd Evans, PhD
Peter I. Pressman, MD Professor in Surgery
Professor of Cell and Developmental Biology in Surgery
Weill Cornell Medical College

Target Audience: Weill-Cornell physicians in Surgery, other interested physicians and health care providers, and students.

Course Objectives: This CME activity is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.

CME Accreditation and Credit Designation Statements

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this live activity for a maximum of ___1___ AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Evaluations for Regularly Scheduled Series (RSS) are conducted periodically throughout the year. If you have questions or concerns regarding the content or presentation of this session (including any apparent conflict of interest, please contact Aleks Karmick at 212-746-5380.
