

# Weill Cornell Medicine-Qatar

## Institute for Population Health

## Population Health & Well-being Series

### One Health: The Contribution of Veterinary Medicine in Transforming Concept into Practice

#### Live Webinar

Oct 17, 2023

4:00 to 5:00 PM

(Qatar Time)

### Speaker

#### Liz Arbittier VMD, CVA

*Associate Professor in Equine Field Service  
New Bolton Center Associate Director of Academic and Community Affairs  
School of Veterinary Medicine  
University of Pennsylvania  
USA*

#### Session Objectives:

- 1 Define One Health
- 2 Name at least 6 global challenges that can benefit from a One Health perspective
- 3 Break down the contribution that veterinary medicine provides to those One Health missions
- 4 Evaluate the impact that veterinary medicine currently has on the local One Health mission within your discipline
- 5 Design a theoretical plan leveraging veterinary medicine to introduce a new One Health perspective within your practice

#### Target Audience:

Physicians, dentists, nurses, pharmacists, allied health practitioners, students, researchers, educators and administrators.
