Weill Cornell Medicine-Qatar
Institute for Population Health

Population Health & Well-being Series

Precision Nutrition for Population Health

Live Webinar
Nov 7, 2023
4:00 to 5:00 PM (Qatar Time)

Speaker

Dr. Saurabh Mehta, MBBS, ScD

Janet and Gordon Lankton Professor
Division of Nutritional Sciences
Founding Director | Cornell Center for Precision Nutrition and Health
Co-Director | NIH Center for Point-of-Care Diagnostics for Nutrition, Infection, and Cancer in Global Health (PORTENT)
Director | Program in International Nutrition
Director | NIH Training Program for Artificial Intelligence and Precision Nutrition

Learning Objectives:

1. Compare and contrast one-size fits all approaches to optimizing population nutrition and health with precision nutrition
2. Identify research gaps and needs for implementing and scaling up precision nutrition-based approaches
3. Assess opportunities in your work to move away from one-size fits all perspectives

Target Audience:

Physicians, dentists, nurses, pharmacists, allied health practitioners, students, researchers, educators and administrators.
