

# "Simulation-Based Encounters provide Educators with an Opportunity to Teach, Assess Learning and Conduct Research"

## FACILITATOR:

**Stella Major**

MBBS FRCGP

Associate Professor of Family Medicine in Clinical Medicine

Director of the Clinical Skills & Simulation Lab

Division of Medical Education

**Weill Cornell Medicine – Qatar**

**Livestream via Zoom | Monday, March 21, 2022 | 12:00 PM – 1:00 PM**

### **Target Audience:**

Educators across the healthcare spectrum including physicians, researchers, and assessment administrators.

### **Course Objectives:**

At the end of the session, participants will be able to:

1. Discuss how a cohort study using simulation-based encounters evaluates the effectiveness of a skills-based educational intervention.
2. Discuss how periodic (experimental) versus post encounter (traditional) approach may improve the accuracy of assessing skills in an OSCE assessment.

### **ACCME Accreditation and Credit Designation Statements**

The Weill Cornell Medicine-Qatar is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
