Health and YOU Community Wellness Series

The burning truth about heartburn

This session will uncover the causes, symptoms, and effective management strategies for this common and discomforting condition, providing valuable insights for a healthier, heartburn-free life.

Live Webinar

March 11, 2024

1:00 to 2:00 PM

(Qatar Time)

Dr. Rakab joined Weill Cornell Medicine-Qatar (WCM-Q) in January 2016 as Assistant Professor of Clinical Medicine and Assistant Dean for Clinical Learning. He is credentialed at Hamad Medical Corporation (HMC) as a senior internal medicine consultant and is a Fellow of the American College of Physicians (FACP). He obtained his Doctor of Medicine at the University of Southern California and then completed his residency in internal medicine at Scripps Clinic in San Diego, California. He has also completed a Master of Education in the Health Professions (MEHP) from John Hopkins University in May 2020.
