PGDip(IMP), FFGDP(RCSLondon)

Dental Surgeon
Sharq Dental Centre, Qatar

Dr. Nizar received his Bachelor of Dental Surgery from the University of Manchester in 2003 and has worked as a full-time dental surgeon ever since. In 2007, he obtained MJDF and MFGDP diplomas from the Royal College of Surgeons in London, along with a Master's in Oral and Maxillofacial Surgery and a post-graduate dental implant diploma from the University of Manchester in 2011. He also earned the fellowship of the faculty of general dental practice from the Royal College of Surgeons in London in 2013. His first 10 years of practice were in the UK, where he worked as a full-time dental surgeon as well as an honorary clinical instructor at the University of Liverpool. For the past 13 years, Dr. Nizar has been a full-time dental surgeon at Sharq Dental Centre in Doha, providing a wide array of treatments, from restorative to surgical and preventive care. His commitment to excellence is matched by his passion for lifelong learning and teaching.
