

Weill Cornell Medicine-Qatar

Institute for Population Health

Health and YOU Community Wellness Series

How the Environment Shapes Our Health

We will explore how air, water, climate, noise, and other conditions influence disease risk, aging, and wellbeing, shaping health trajectories across the lifespan and driving disparities and opportunities for prevention and resilience.

Live Webinar

April 13, 2026
4:00 - 5:00 PM
(Qatar Time)

This is not a CME/CPD activity | FOR GENERAL PUBLIC
