Tuesday, February 15, 2022
4:00 to 5:00 PM

Speaker

Suhaila Ghuloum, FRCPsych

*Senior Consultant Psychiatrist
Hamad Medical Corporation
Associate Professor of Clinical Psychiatry
Weill Cornell Medicine-Qatar*

Dr. Ghuloum is a Senior Consultant Psychiatrist, and an Associate Professor at Weill Cornell Medicine-Qatar.

She has national and international involvements in mental health; she was a key member in drafting the Qatar Mental Health Strategy and Mental Health Law. She has active teaching and administrative roles at Mental Health Services of Hamad Medical Corporation and Weill Cornell Medicine-Qatar and is an examiner locally and regionally. Past roles include Chair of mental health services in Qatar, Chair of the Middle East Division of the Royal College of Psychiatrists, Qatar's representative to the WHO-EMRO region and the GCC council for mental health, executive roles in Arab Board and Arab Federation of Psychiatrists and zonal representative for the Middle East at World Psychiatric Association. She continues to be involved with the WHO and World Federation for Mental Health on various projects, guidelines and position statements.

Dr. Ghuloum has several research projects, publications, and presentations at regional and international conferences.
