“Most pivotal part of all of us being together, was the fact that we all shared a unified goal of reaching the field of medicine.” Abdullah Naji

"Believe in yourself because you are precious, believe in yourself because you are the future doctor" Enjy Mohamed

"This program demonstrates our first gate into medical school" Shahd Alroobi

“I would strongly recommend joining QMEP for students who are interested or willing to pursue a career in medicine.” Fatima AlKhayat

"It's like we've been through the 2 years of pre-med in this small span of 2 weeks." Farheen Ahmed
